§ 17.159

§ 17.157 Definition-adaptive equipment.

The term, adaptive equipment, means equipment which must be part of or added to a conveyance manufactured for sale to the general public to make it safe for use by the claimant, and enable that person to meet the applicable standards of licensure. Adaptive equipment includes any term specified by the Under Secretary for Health or designee as ordinarily necessary for any of the classes of losses or combination of such losses specified in § 17.156 of this part, or as deemed necessary in an individual case. Adaptive equipment includes, but is not limited to, a basic automatic transmission, power steering, power brakes, power window lifts, power seats, air-conditioning equipment when necessary for the health and safety of the veteran, and special equipment necessary to assist the eligible person into or out of the automobile or other conveyance, regardless of whether the automobile or other conveyance is to be operated by the eligible person or is to be operated for such person by another person; and any modification of the interior space of the automobile or other conveyance if needed because of the physical condition of such person in order for such person to enter or operate the vehicle.

§ 17.158 Limitations on assistance.

(a) An eligible person shall not be entitled to adaptive equipment for more than two automobiles or other conveyances at any one time or during any four-year period except when due to circumstances beyond control of such person, one of the automobiles or conveyances for which adaptive equipment was provided during the applicable four-year period is no longer available for the use of such person.

(1) Circumstances beyond the control of the eligible person are those where the vehicle was lost due to fire, theft, accident, court action, or when repairs are so costly as to be prohibitive or a different vehicle is required due to a change in the eligible person's physical condition.

(2) For purposes of paragraph (a)(1) of this section, an eligible person shall be deemed to have access to and use of an automobile or other conveyance for which the Department of Veterans Affairs has provided adaptive equipment if that person has sold, given or transferred the vehicle to a spouse, family member or other person residing in the same household as the eligible person, or to a business owned by such person.

(Authority: 38 U.S.C. 3903)

(b) Eligible persons may be reimbursed for the actual cost of adaptive equipment subject to a dollar amount for specific items established from time to time by the Under Secretary for Health.

(Authority: 38 U.S.C. 3902)

(c) Reimbursement for a repair to an item of adaptive equipment is limited to the current vehicles of record and only to the basic components authorized as automobile adaptive equipment. Reimbursable amounts for repairs are limited to the cost of parts and labor based on the amounts published in generally acceptable commercial estimating guides for domestic automobiles.
